

AIDE MEMOIRE:

In-Practice Health Check Discrepancies Investigation Process: NHS Haringey

Criteria for a valid NHS Health Check:

- Completed NHS Health Check code - 8Bag, 38B1
- Age 40 to 74 years old at the time of the Health Check
- No Health Check in practice or by third-party provider (8Bag, 8Bag0, 38B1, 38B10) in the previous 5 years

In addition to the correct codes, only **eligible patients** are considered. To be eligible, a patient must **not** have one of the excluded conditions at the time of the health check, namely:
